

SUNDANCE

Sundance MHC is a pleasant 55+ Manufactured Home Community located in Escondido, CA. We make our residents' enjoyment a priority with year-round activities in our huge clubhouse, library, game room, or at our pool. While our friendly staff will keep you engaged with your neighbors, the spacious clubhouse also provides you with a convenient place to host your own social events. We are situated close to local area shopping and dining opportunities. With so much to offer all we are missing is you!
